Looking for prize sponsors for the chapter RP compain for the Darren Wingerak Grant

Call for Submissions: ASHRAE Regional Technology Awards

The **ASHRAE Saskatoon Chapter** is looking for submissions for the **Regional Technology Awards!**

These awards celebrate innovative and energy-efficient building projects that demonstrate excellence in HVAC&R design, sustainability, and indoor environmental quality. This is a great opportunity to showcase the exceptional work being done right here in Saskatchewan.

Projects can be submitted to the **Chapter** or **Regional** level, offering recognition across ASHRAE's broader community. Categories include commercial, institutional, healthcare, residential, and industrial facilities, among others.

Application Form: [Tech Award Application Form](#)

Chapter submission deadline: [February 28, 2026](#)

Regional submission deadline: [April 17, 2026](#)

How to apply: Please submit your completed application package to the CTTC Chair at c102cttc@ashrae.net. Regional submissions can be submitted directly to the ASHRAE Region XI RVC at cttc@ashraeregionxi.org.

Don't miss the chance to have your work recognized for its technical excellence and sustainable impact. Share your success and inspire others in our chapter to continue pushing the boundaries of building performance!

Programs and Upcoming Events

We are excited to share our program calendar for the first half of the ASHRAE Society year. While venues are still being finalized, we are pleased to confirm our lineup of speakers and dates to the end of this calendar year.
